

**Emerald 3000 Mk3** Lighting Controller

A stand alone dual area security lighting controller which enables external areas to be accurately monitored and illuminated.

Automatically switches up to 3000 Watts of lighting at night for a pre-set period and can be manually overridden when required.

Incorporates an audible warning tone and features six detector indicators, which illuminate when activated by detection day and night.

**PRODUCT CODES**

**GJD010** Emerald 3000 MK3
