POLICE**

Dear colleague,

**Manchester Security 2016 – Safe and Secure for Business
FREE SECURITY SEMINAR FOR BUSINESSES IN MANCHESTER**

0830 : Thursday 29th September, 2016
St Ann's Church, St Ann's Street, Manchester, M2 7LF

On behalf of Greater Manchester Police and our partners, including Manchester City Centre Crime Prevention Panel, Manchester City Council and Atmaana Business Consulting, I have pleasure in inviting you to a free breakfast seminar.

The event will offer invaluable advice and guidance on current security challenges that face the Manchester community and beyond, which I am sure will be of great benefit to your business.

Detective Chief Superintendent, Tony Mole LLB, North West Counter Terror Unit Regional Coordinator will deliver an update on Counter Terror issues and provide advice on maximising vigilance, mitigating risks and taking all appropriate actions in the event of a potential incident. You will also have the opportunity to hear about current policing issues and learn about the latest crime prevention products that will help protect your people, property and premises from acts of crime.

Doors open to the event at 0830, refreshments and breakfast snacks will be provided, and I will formally open the event at 0900. SelectaDNA and GJD are sponsoring the event and their crime prevention products will be available to view at the event.

I do hope you will be able to join me at what I believe will be a very worthwhile event.

Please reserve you place by completing the online registration form at:
